Colbi Technologies, Inc.
(714) 505-9544

Colbi Technologies' Account-Ability SUV software provides the comprehensive tool for managing your building program funding **from the first conceptual budget through the final audit documents.** This is the owner's tool that provides the big picture across all projects while providing specific detail for each individual expenditure.

- **Know your exact project funding status at all times!**
- **Plan and monitor your projects multi-fund and multi-year!**
- **Know that every project and every fund has positive cash flow!**
